

## SAHRIS OBJECT PDF REPORT

**Object Code:** JAG 1995-2-193

**Quantity:** 1.00

**Cultural Association:** Ndebele

**Maker:**

**Production Place:**

### **Description:**

Two flat rectangular panels of wood carved with two arms with holes through them for threading at the top, a triangle projects between the two arms. There is a nick at each side of the middle line and a hollow window in the centre of each panel. Panels are carved in relief with geometrically arranged bumps and panels and the silhouettes have some stepped designs cut out. The panels are attached to a necklace of three strands alternating with single beads along its entire length.
