Production Place:

Description:

Wide beaded rectangular panel in white with extensive geometric designs in three sections and on a small rectangular flap of beadwork at the end. Above and below the two upper bands of design the panel is punctuated by a row of three rectangular openings the centre one of each row has been divided down the middle by a small rectangular piece of beading. The end of the panel is made up of lacy beading strips which are also seen on the bottom edge of the small flap
