Description:

Loan of 64 works of art from the collection of the Johannesburg Art Gallery for an exhibition entitled 'From the Impressionists to Picasso: Masterpieces from the Johannesburg Art Gallery' at Forte di Bard. The exhibition is a partnership between Vidi Srl and the City of Johannesburg, and forms part of the City's promotion of its cultural holdings both in South Africa and abroad. Whilst the exhibition celebrates the richness of the JAG's European collection, it also aims to introduce Italian audiences to South African masters such as Gerard Sekoto, Irma Stern, George Pemba and William Kentridge.
