Description:

The Parliament Collection:

The female figure of peace is standing at a table with six figures around her, offering her food and drink. They include Germany, Russia and England. The table is laden with more food and drink, and the words *Il banchetto della pace* is written on the table cloth. Underneath the table two figures peer out holding a knife and fork. The one is a South African Boer, and the other probably a Turk.

Provenance:

Mendelssohn Bequest 1922
