

SAHRIS OBJECT PDF REPORT

Object Code: 84/810

Quantity: 1.00

Cultural Association:

Maker:

Production Place:

Description:

A Bentwood chair is sometimes called a Thonet chair in honour of its creator Michael Thonet. While Bentwood chairs were actually being made at least two centuries before Thonet was even born, he perfected the process which made the wood easier to bend and allows for mass production to begin. Material: Wood. Colour: Brown.

Provenance:

Cape Medical Museum
