

## SAHRIS OBJECT PDF REPORT

**Object Code:** CGH01

**Quantity:** 1.00

**Cultural Association:**

**Maker:**

**Production Place:**

### **Description:**

Clay Lion from the entrance to the Castle of Good Hope, Cape Town. This is one of two specimens removed during the original restoration in the 1970s. The Lion is generally well-preserved, with the exception of several loose fragments from the underbody.
